Description of the Field Trip

The IQAC and the departments of Arts, Commerce, and Science planned a field trip to Polavaram National Water Project which is being constructed in Polavaram, West Godavari District. The Irrigation Department of East Godavari district arranged two APSRTC buses for the students and the staff to visit the project. The Project is located 40 km away from the college. 80 students from all the programs and 10 members of the staff participated in the field trip. The trip started at 9 am from the college and reached the spot at 10:30 am. The students and the staff visited the project. The representatives of the Polavaram project explained to the students to the project details. They explained the advantages of the project once it is finished. The students gained practical experience and they learned about the project. They felt satisfied as they gained social and historical knowledge. After having lunch provided by the Irrigation Department, the students and the staff visited the Museum of Polavaram Project
